Congrats, I'm at BCC rn and I'm hopefully going to transfer to John Jay in the fall. How's it going so far?

Thanks! It's going well. If you can, try to get into the ACE program as it gives you an advisor you meet with monthly.

Thinking critically is not easy for everyone and I've taken science classes and I've gotten As in those too 🙄

I'm sure many people in these classes failed or did not get an A. Do not diminish this persons accomplishments.
